STATEMENT UNDER C.F.R. §§1.821(e) AND (f)

Mail Stop PATENT APPLICATION
Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

In accordance with 37 C.F.R. §1.821(e), applicants herewith file a divisional patent application that incorporates a sequence listing paper copy. This sequence listing is identical to a sequence listing of the direct parent patent application number 09/886,227, filed June 21, 2001 (034827-0201). Applicants hereby request the use herein of the compliant computer readable "Sequence Listing" that is already on file in the parent application. The paper copy of the sequence listing being filed concurrently herewith as part of the instantly filed patent application is identical to the computer readable copy filed for the prior application.

In accordance with 37 C.F.R. §1.821(f), the undersigned hereby states that the Sequence Listing embedded in the instantly filed divisional application does not include matter which goes beyond the content of the application as filed and that the information recorded on the diskette submitted in the parent application is identical to the written Sequence Listing filed herewith in the instant patent application.

The Commissioner is hereby authorized to charge any fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 50-0872. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 50-0872.

Please direct all correspondence to the undersigned attorney or agent at the address indicated below.

Respectfully submitted,

Date April 13, 2004
